## VILLA WILL BE GIVEN ASYLUM BY UNCLE SAM

FORMER ADVERSARY OF CARRANZA GIVES UP HOPELESS TRIBE IN MEXICO

## PEACE TREATY IS SIGNED BY PARTIES

VILLA IN JUAREZ AND IS ELIMINATED FROM FURTHER OPERATIONS

BULLETIN:

Washington, Dec. 20.—State department officials today received that Gen. Villa will receive the usual asylum accorded political refugees should he enter the United States. The decision was sent to General Fontenay by the war department this afternoon for transmission to Villa.

BULLETIN:

El Paso, Dec. 20.—Final arrangements for Villa to enter the United States, thus ending his participation in Mexican affairs, were made here this noon, according to authentic information.

BULLETIN:

El Paso, Texas, Dec. 20.—An agreement was reached at noon whereby the Villa faction of northern Mexico concludes peace with the federal government of Mexico. The conference was held between Mexican General Garcia and former Presidents of Villa at the consulate at El Paso, N.M. It is reported to be in effect. The signing of the peace agreement eliminates him from Mexican affairs.

El Paso, Texas, Dec. 20.—The forces of United States military governors, state and city police, and representatives of the Carranza and Villa governments held their meeting Sunday. It was agreed by the Villa delegation that Gen. Diaz, Villa's chief, would remain in the United States until the Villa-Torreblanca government is established. The Carranza government, however, did not accept this proposal.

In return no new demands are to be made by Villa, who has been promised that a new army would be selected to head the Villa movement and protect the border, upon which he and his yet unnamed but intended to be General Villa, to take over the entire military and civil functions of Villa's command. The Carranza government.

Should the agreement be fulfilled, not even all nations affiliated with the Villa movement this pledge would be withdrawn and the final success of the Carranza government would be continued.

Rumors Sunday here were that Villa was enroute for Palomas in western Chihuahua and would cross the border at Columbus New Mexico. It was also reported that he was on his way across the desert from Chihuahua to Ojinaga opposite Presidio, Texas.

AS TO THE INTERURBAN.

George Dodson, former Guthrie now in business at Oklahoma City, is in Guthrie looking into the proposition of extending the Interurban from Edmond this way. "I found a decided feeling against the proposition," he said.

Dodson is the right-of-way man for the Oklahoma City Railway company.

BRITISH HIRE MORE TROOPS INTO BALKANS; GERMANS REPULSE FRENCH ATTACK

By Associated Press

London, Dec. 20.—MILITARY forces of Serbia and the Allies advanced on Belgrade Saturday in open columns. An official statement says: "All the troops of Serbia have marched with arms and always been successfully transferred with insufficient supplies."

The French say they are sending reinforcements to assist the Allies in the Balkans. As the examination of members of the British Legion in Serbia disclosed that Dr. P. J. E. Villa is not clear whether the advanced or regular army has a desire to abandon the efforts to force the frontier for effects in favor of operations in areas in rear of the border unopposed to hold as an independent nation.

They add, they are ready to do so without serious loss. The new Mexican forces should be counted with the transfer of Villa to the Anti-Axis. The statement

continues: "The British are to examine and determine the value of the services of the members of the British Legion in Serbia."

HUMPHREY TELLS OF SUCCESS OF NIGHT SCHOOLS

FORMER COUNTY SUPERINTENDENT IS ENTHUSIASTIC OVER GOOD THAT IS RESULTING

Nell Humphrey, former county superintendent and until last year clerk of the district court, was in Guthrie Saturday adding Mrs. Dorothy and the Citizens Committee, entering the "country school" as Guthrie's first effort in staging a "Christmas Party."

The "Christmas Party" was certainly a big success and every person talked about the event was highly pleased over the results obtained. It brought folks together and old friends good in many ways," said Mr. Humphrey. Humphrey is enthusiastic over the night school proposition. Speaking of a recent meeting he said:

"Just recently we had a meeting of
